---

We provide our Club Members with a safe, supportive, fun and enriching environment that inspires and empowers them to achieve their greatest potential.

# VISION

---

We believe all kids will have the opportunity to achieve their greatest potential.

# VALUES

**Respect**

We recognize that each person has equal, intrinsic worth and deserves to be treated with dignity.

**Integrity**

We operate with honesty and hold ourselves accountable for all words and actions.

**Excellence**

We set high expectations and work hard to achieve them by engaging in continuous learning and improvement.

**Teamwork**

We collaborate openly on common goals to leverage the expanded knowledge of our entire community.

**Innovation**

We seek out and embrace new possibilities that can increase our impact.

Dear friends,

It's with sincere gratitude that we share the impact you had on the kids of Boys & Girls Clubs of Metro Denver in 2019. With your support, commitment, and belief in the potential of our Club kids, you changed the lives of thousands of children. And though this aggregate impact is huge, we also measure it individually, by each child whose story changes because the Clubs provide has a safe, supportive, empowering, inspiring place to go every day.

Your support helped a child with anxiety learn to say, "**I am confident.**"

Your commitment helped a shy, hesitant kid start believing, "**I am strong.**"

And your belief helped a struggling reader say, "**I am smart.**"

At our 20 Clubs and our summer camp, children are getting the resources they need to learn, grow and thrive – because of you. Our donors, volunteers and staff make it possible for kids, most of whom are growing up in poverty, to pursue their dreams. And it is only with your support that we are able to provide our life-changing programs.

As we look back on nearly 60 years of serving the Denver community, we are grateful for the opportunities we have had to inspire and empower children across our city, supporting those pivotal moments when confidence blossoms, curiosity is rewarded, and possibilities become reality.

None of this happens without your generosity of spirit and your belief that all children will achieve their greatest potential. So, on behalf of every one of our Club kids, we thank you for helping us write this story of impact.

Sincerely,

Erin Porteous  
Chief Executive Officer

Joe Smith  
2019 Chairman of the Board

# 2019 HIGHLIGHTS

---

With your support, we significantly expanded our reach in the Denver Metro area, with the addition of **four new Clubs in Aurora Public Schools**: Montview, Virginia Court, Altura and Laredo. With a total of 20 Clubs, now we are able to serve thousands more of the kids who need us most.

We also **expanded PACE, our school-day intervention program**, adding a location at our Westminster Boys & Girls Club. PACE is conducted in partnership with Denver Public Schools and is designed to support students with behavioral issues.

In 2019, Club members read and comprehended a total of **54,113 books**.

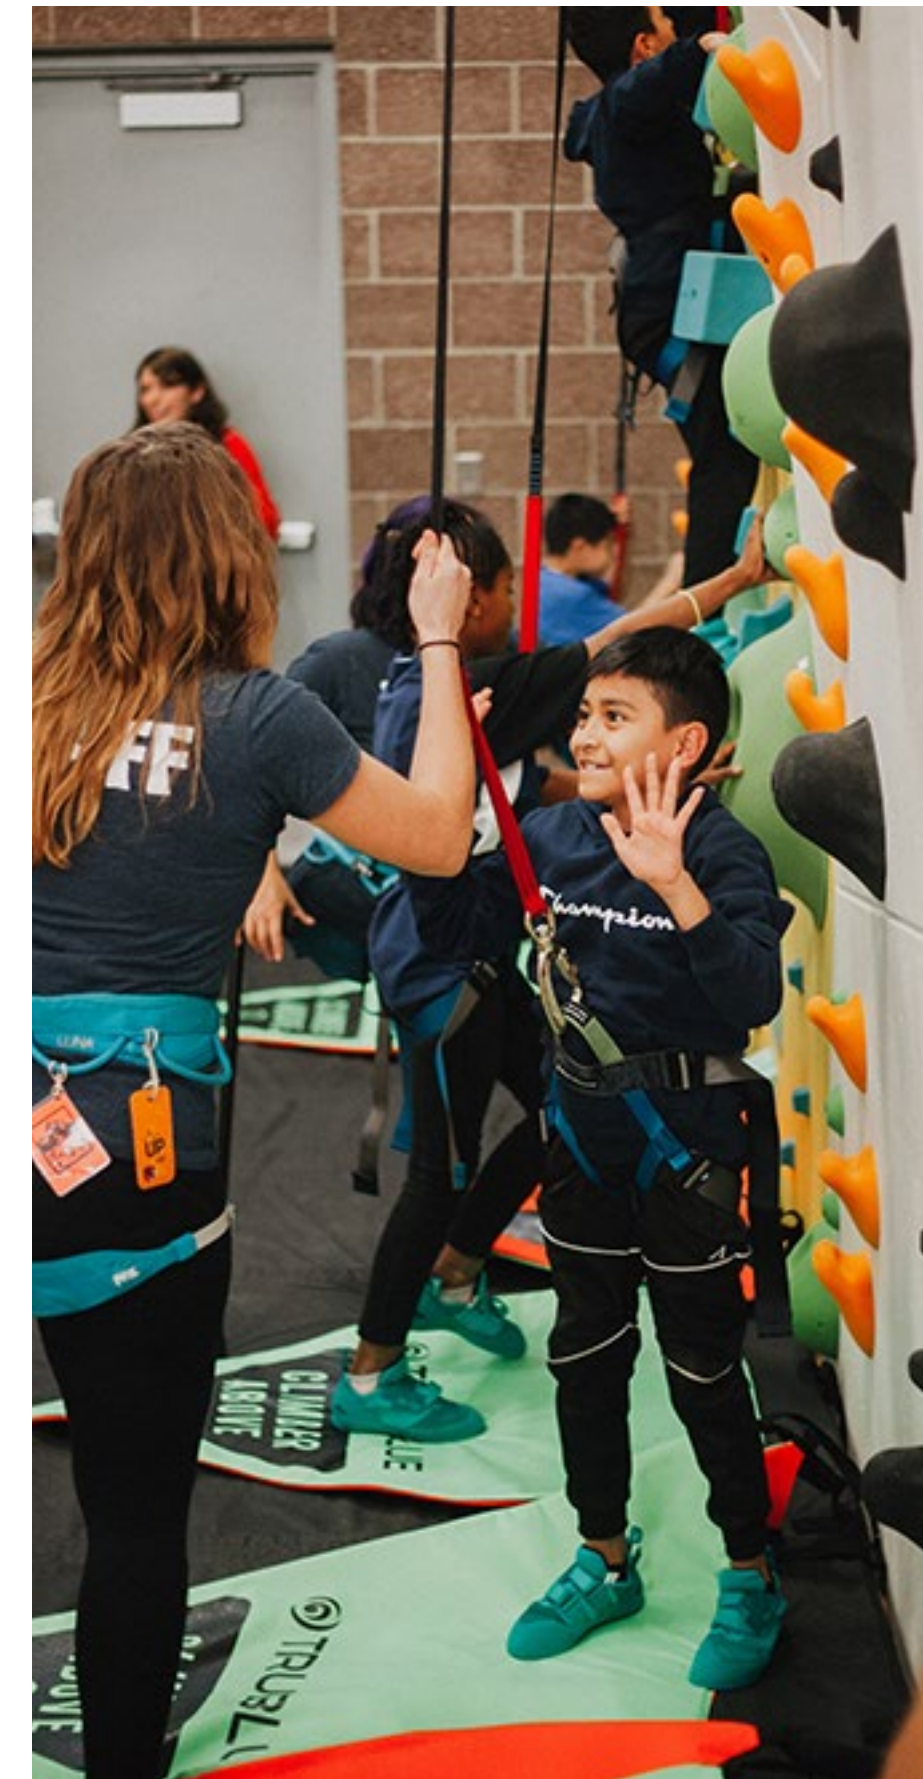

# 2019 HIGHLIGHTS

---

Your support allowed us to continue our commitment to the mental and behavioral health of our Club kids and families, with **the addition of three more Club-based social workers**. Staff social workers provide therapy, group lessons, and resource navigation to members and families. By the end of 2019, this service was offered at 5 Clubs and will expand to all 20 in the coming years.

We **installed our very first rock climbing wall at our Owen Club**, in partnership with 1Climb. The addition of the climbing wall will provide opportunities for our Club members to build confidence and experience a Colorado sport that is often out of reach for many of our members and families.

In 2019, **86.5% of Boys & Girls Clubs seniors graduated from high school**, as compared to the graduation rate in Colorado (80.7%) and in Denver Public Schools (66.6%).

Everything we do at the Clubs is designed to make a **positive impact** on kids' lives. We provide programming across three key outcome areas.

# ACADEMICS & CAREERS

---

By the time they reach 6<sup>th</sup> grade, middle class kids have likely spent 6,000 more hours learning than kids born into poverty. Through engaging academic and career programs, we are filling the learning gap faced by many of the kids and families we serve.

I AM... SMART

## ACADEMICS & CAREERS HIGHLIGHTS

**90%**

of graduating Club members applied to a four-year college or university.

**79%**

of our Club members reported getting mostly A's and B's.

**2,166**

youth received homework help and additional academic support through the Power Hour program.

**30-45**

Club members read 30-45 minutes per day on average throughout the school year and summer.

# CHARACTER & LEADERSHIP

---

Developing good character and demonstrating leadership skills are critical for young people to succeed in school and in life. Our programs challenge kids to be community-minded and empower them by demonstrating how they can affect change by working together.

I AM... CONFIDENT.

# CHARACTER & LEADERSHIP HIGHLIGHTS

**60%**

of Club members  
volunteered at least  
once per month.

**88%**

Our Club members demonstrate strong character: **88%** of our Club members said they would stand up for what is right, even if their friends disagreed.

**107**

**107** Club members completed the Youth of the Year process across three age groups.

**229**

**229** students were referred to the PACE Program and 200 successfully completed the program (85% completion rate)

# HEALTHY LIFESTYLES

---

Good health requires practice. It means not only having a place to go where you get the chance to run, jump, kick, throw and high-five; it also means eating right and having the knowledge and confidence necessary to choose wisely. We provide the right resources – from coaches to carrots – to help kids make the right choices.

I AM... STRONG.

## HEALTHY LIFESTYLES HIGHLIGHTS

**74%**

of Club members exercised at least three times per week.

**1,215**

Club members participated in core curricula targeting drugs, alcohol, tobacco, sexual health, physical fitness and healthy eating.

**90%**

Club members are less likely to use substances like tobacco and alcohol, with approximately **90%** of our Club members abstaining.

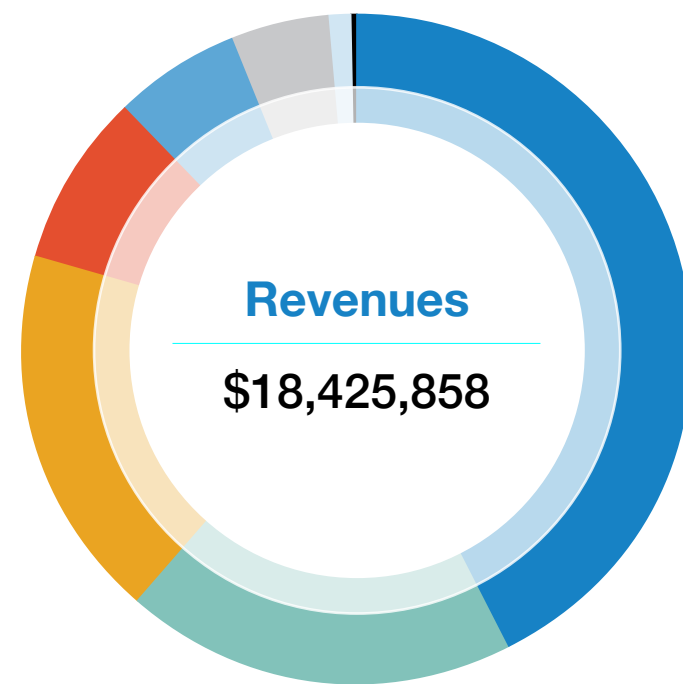

**3,239**

Our continued success with Outdoor Education opportunities provided a total of **3,239** individual Club members with meaningful nature experiences. We offered a total of 204 outdoor education programs, ranging from one-time group adventures to programs which offered multi-session curriculum work.
